What Love Means to Me...by 3 & 4 year olds

Love is when your puppy licks your face even
after you left him alone all day.

Love is when mommy gives daddy the best piece of chicken.
Love is when my mommy makes coffee for my daddy
and she takes a sip before giving it to him, to make sure
the taste is OK.

Love is when mommy sees daddy smelly and sweaty and
still says he is handsomer than Robert Redford."

A new young bride calls her mother in tears. She
sobs, "Robert doesn't appreciate what I do for him."

"Now, now," her mother comforted, "I am sure it was
all just a misunderstanding."

"No, Mother," the young woman laments. "I bought a
frozen turkey loaf and he yelled at me about the price."

"Well, that is being miserly," the mother agreed,
"Those turkey rolls are only a few dollars."

"No, Mother, it wasn't the price of the turkey roll, it
was the airplane ticket."

"Airplane ticket.... What did you need an airplane
ticket for?"

"Well Mother, when I went to fix it, I looked at the
directions on the back and it said, 'PREPARE FROM A
FROZEN STATE,' so I flew to Alaska."

A man walked into a Louisiana convenience store, put a \$20 bill on the counter and asked for change. When the clerk opened the cash drawer, the man pulled a gun and asked for all the register, which the clerk promptly provided. The man took the cash from the clerk and fled, leaving the \$20 bill on the counter. The total amount of cash he got from the drawer? Fifteen dollars (If someone points a gun at you and gives you money, was a crime committed?)

The owner of a large factory decided to make a surprise visit and check up on his staff. Walking through the plant, he noticed a young man leaning lazily against a post.

"Just how much are you being paid a week?" said the owner angrily.

"Three hundred bucks," replied the young man.

Taking out a fold of bills from his wallet, the owner counted out \$300, slapped the money into the boy's hands, and said, "Here's a week's pay --now get out and don't come back!"

Turning to one of the supervisors, he said, "How long has that lazy bum been working here anyway?"

"He's not an employee," said the supervisor. "He was just here to deliver a pizza!"
